

NONDISCRIMINATION NOTICE

Last modified: March 9, 2026

Longs Peak Family Practice complies with applicable Federal civil rights laws and does not discriminate on the basis of race; color; national origin (including limited English proficiency and primary language); age; disability; or sex, including but not limited to discrimination on the basis of sex characteristics, including intersex traits, pregnancy or related conditions, sexual orientation, gender identity, and sex stereotypes.

Longs Peak Family Practice:

Provides reasonable modifications for individuals with disabilities, as well as appropriate auxiliary aids and services, including qualified interpreters for individuals with disabilities. These are provided free of charge and in a timely manner, when such modifications, aids, and services are necessary to ensure accessibility and an equal opportunity to participate to individuals with disabilities.

Provides language services, including electronic and written translated documents and oral interpretation. These services are provided free of charge and in a timely manner, when such services are a reasonable step to provide meaningful access to an individual with limited English proficiency.

If you need to access the services above, please ask an associate at Longs Peak Family Practice, and they can help you.

Longs Peak Family Practice has grievance procedures in accordance with applicable federal civil rights laws. If you believe that Longs Peak Family Practice has failed to provide appropriate services or discriminated in

another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with the contact information below:

Longs Peak Family Practice
